wood stove for heat?

You may be able to trade it in for a new,
more efficient and cleaner heating device!

You could get a **\$1,500–\$3,500 rebate**
when you exchange for a new device. Some households may
be eligible for a **free** heating device!

Older and uncertified wood stoves use a lot of wood, hurt
your health, pollute the air and may no longer heat well.
